

Why working with Discus Group is different...

Discus Group has a long history in the CD and DVD industry, in fact we started out copying video and audio cassette tapes (if you can remember what they are!) We believe your job is special and deserves to be produced to the highest standard, the knowledge and experience we have allows us to do that. We believe in quality, high standards and good value and we certainly don't cut corners to save a few pence.

Think about what's really important to you, if you want a company that can supply all of your needs, has the time to answer all of your questions and ensure your job is done right first time, then talk to us.

Value

Just because we offer competitive prices does not mean we sacrifice product quality or our service levels.

Peace of Mind

We understand how important your job is to you, which is why it's important to us.

Security

We store your masters and artwork in our library free of charge.

Flexibility

Our Flexible production systems enable us to meet the tightest of deadlines.

Passion

We lovingly pack and protect your product ready for shipping to avoid breakages.

Print

We print up to 3600 dpi to give you the best print results. (That's not a typo - it really is 3600 dpi).

Storage

Short on space? We can store your product and ship direct to your customers when required.

Guarantee

We work to International Quality Standards so your products have the wow factor every time.

Quality

Our specialist knowledge ensures we deliver products that impress your customers.

The Environment

We can offer recycled packaging and a disc recycling service.

Shipping

When we ship your product we email or text you the tracking details. (coming soon for our pallet service)

Don't take our word for it, see what our customers have to say...

"When the chips are down you really can rely on Discus Group. We had an urgent requirement from one of our clients for a same day turnaround on a thousand dvd's. As ever you have exceeded all of our expectations and delivered same day. You can't beat that kind of service, our client now thinks we're heroes. A big thanks to the guys that rescued this for us."

Phillip's Standards

We ensure your masters conform to 'Phillip's Book Standards' before manufacturing so you don't get any complaints.

Ease

We are happy to deliver direct to your customer with plain label delivery documents.

Reordering

Is fast and easy, just quote your job number, your name, your job name and our production system will repeat the project for you.

Our group of companies can supply all of your needs, whether you need a copying service, bulk packaging and discs or even duplication and print machines.
