Hi Neil,

I hope you are well.

This email is well overdue but I wanted to thank you for the Free The Mind audios you have done for us. We think they look amazing and are very very pleased with the results.

We are getting some amazing feedback and are poised to get them in Watkins bookstore, the owners of the biggest mind body spirit magazine in the world.

I will be recommending you and look forward to working with you again very soon.

What do our customers have to say?

Here are just a few messages we've received from our customers.

Subject: My Order

Hi Neil,

I was out yesterday when Parcel Force tried to deliver my package so they left it with my neighbour. He has just brought it across to me so I've opened my first Christmas present!

Very nice indeed!!

This is by way of a big Thank You to you, Andrew and Denise. You've all been extremely helpful and it's a pleasure doing business with you.

Unfortunately, demand is such that I've probably got enough supplies now for a couple of years or more. Nonetheless, I shall certainly recommend your services as and when I can.

By the time you read this, it'll be too late for a 'Happy Christmas' so I'll settle for wishing you all 'a Very Happy New Year'.

With kind regards,

Gerry.
